

JONATHAN D. KULICK, PHD

New York University
370 Jay Street, 12th Floor
Brooklyn, NY 11201

jonathan.kulick@nyu.edu

Profile

Policy analyst and policy-institution manager. Expertise in a wide range of domestic and international issues. Outstanding methodological, technical, organizational, and communication skills.

Work Experience

New York University, Marron Institute of Urban Management, Dep. Dir. Research & Programs 2020–present
Senior Research Scholar 2016–present

Manage institute's research and program development, and guide Litmus, a multidisciplinary center for innovation in policymaking and evaluation.

Swift Certain Fair Resource Center, Co-Director 2014–present
Manage USDOJ technical-assistance resource center for community-corrections reform.

BetaHub, Senior Advisor 2014–present
Advise center for practitioner-led trials in criminal justice, social policy, education, and healthcare.

Pepperdine University School of Public Policy, Adjunct Professor 2012–2016
Senior Project Director 2011–2016

Directed policy-oriented research, evaluation, and implementation projects. Managed national implementation and state and local studies of probation and parole reform. Co-directed landmark studies of public opinion in Syria. Taught courses on infrastructure policy and science and innovation.

JDK Analysis, Director 1994–2016
Conducted policy, economic, and engineering analyses. Clients' interests included drug legalization, counter-narcotics, technology education, democratization, devolution, macroeconomic reform, WTO accession, utility privatization, industry-cluster development, and wastewater treatment. Services included numerical modeling, statistical and econometric analysis, and survey design.

Office of the Deputy Prime Minister of Georgia, Senior Advisor 2010–2012
Advised Deputy Prime Minister on policymaking, strategic communications, and negotiations on conflict resolution. Drafted national strategy and action plan. Built capacity to analyze international-law, security, and economic issues. Led restructuring and staff retraining for transition to program-implementing ministry.

Georgian Foundation for Strategic & International Studies, Director of Studies 2006–2009
Visiting Professor and Advisor 2002–2006

Led research in policy analysis, security, and governance. Brought in \$2M dollars in support. Taught foreign-policy analysis and research methods. Created training programs in party building and public administration.

RAND Corporation, Associate Policy Analyst 1998–2006
Conducted research and advised policymakers in decisionmaking, security, and energy. Shaped California hospital-building law and vehicle fuel-efficiency standards, and federal electric-utility regulations. Co-authored two books and ten reports; won annual international award for best energy-economics paper.

IBM Almaden Research Center, Research Staff Member 1996–1998
Conducted experimental and analytical research in hard-disk-drive mechanics and micro-contamination. Process-control innovations streamlined production and improved yields of highest-capacity drives.

Atcor, Senior Project Manager 1994–1996
Managed teams of engineers in design and manufacture of equipment for precision-manufacturing industries. Led cleaning-process research that yielded new, multimillion-dollar product line.

American Committee to Save Bosnia, Policy Advocate 1993–1994
Lobbied U.S. Senate to lift arms embargo on Bosnia. Advised newly formed Bosnian Embassy to the U.S.

Education

| | |
|---|------|
| M.Phil. with Distinction, Policy Analysis, RAND Graduate School | 2000 |
| Ph.D., Mechanical Engineering, Stanford University | 1994 |
| B.S. with Distinction, Engineering, Swarthmore College | 1988 |
| B.A. with High Honors, Mathematics, Swarthmore College | 1988 |

Honors and Awards

| | |
|--|-----------|
| Paper of the Year, International Association for Energy Economics | 2005 |
| Herbert Goldhamer Award, The RAND Graduate School | 2002 |
| Donald and Susan Rice Fellowship, The RAND Graduate School | 1998–1999 |
| National Science Foundation Graduate Fellowship, Stanford University | 1988–1991 |
| Phi Beta Kappa, Swarthmore College | 1988 |
| Tau Beta Pi, Swarthmore College | 1988 |
| Sigma Xi, Swarthmore College | 1988 |

Professional and Policy-Related Volunteer Activities

| | |
|--|--------------|
| Jersey City Policy Circle: Member. | 2024–present |
| National Institute of Justice Standing Review Panel: Sit on panel on criminal-justice research. | 2023–present |
| N95DECON: Member. | 2020–2024 |
| New York Governor’s Workgroup on Cannabis Legalization: Member. | 2018–2019 |
| Rondeli Foundation (Tbilisi): Governing Board member. | 2016–present |
| <i>Contemporary Economic Policy</i> : Referee. | 2018 |
| <i>Journal of Quantitative Criminology</i> : Referee. | 2018 |
| <i>Journal of Experimental Criminology</i> : Referee. | 2018 |
| New International Leadership Institute. Nonresident Senior Fellow. | 2014–2017 |
| National Institute of Justice Standing Review Panel: Sat on panel on criminal-justice research. | 2013–2015 |
| Radarami (Tbilisi): Served on board of public-affairs publishing foundation. | 2010–2015 |
| Los Angeles Policy Symposium: Sat on panel on local transportation infrastructure. | 2013 |
| Smith Richardson Foundation: Reviewed criminal-justice research proposals. | 2012 |
| Eurasia Foundation, CRRC (Tbilisi): Judged Caucasus Barometer Report competition. | 2011 |
| Tbilisi State University: Gave lecture series on U.S. foreign policy. | 2011 |
| IREX (Tbilisi): Evaluated applications for Muskie Graduate Fellowship Program. | 2010 |
| U.S. Embassy, Tbilisi: Evaluated proposals for USAID University Research Program. | 2010 |
| Eurasia Foundation, CRRC (Tbilisi): Taught course on research methods and advised researchers. | 2008 |
| IREX (Tbilisi): Evaluated applications for Muskie Graduate Fellowship Program. | 2007–2008 |
| Rustaveli Foundation for Georgian Studies (Tbilisi): Evaluated research proposals (social sciences). | 2007–2008 |
| Georgian National Science Foundation (Tbilisi): Evaluated research proposals (energy, economics). | 2007–2008 |
| American Councils for Int’l Education (Tbilisi): Interviewed for U.S. faculty-fellowships. | 2007–2008 |
| Tbilisi State University, OSI Center for Social Sciences: Served on admissions committee. | 2007–2008 |
| Eurasia Foundation, CRRC (Tbilisi): Served on research-fellowship selection committee. | 2007–2008 |
| Tbilisi State University, OSI Center for Social Sciences: Served on dissertations committee. | 2006–2008 |
| Georgian University of Social Sciences (Tbilisi): Gave lecture series on U.S. foreign policy. | 2006 |
| Tbilisi State University, OSI Center for Social Sciences: Taught course on research methods. | 2004–2005 |
| <i>Georgia News Digest</i> : Founder and editor of daily report of Georgia news and analysis. | 2003–2008 |
| <i>Journal of Environment and Development</i> : Referee. | 2005 |
| <i>The Energy Journal</i> : Referee. | 2004 |
| John Kerry for President: Member of Eastern Europe/NIS policy-advisory team. | 2004 |
| Truman National Security Project: Founding member of national-security think tank. | 2003–2004 |
| Peninsula Rail 2000: Member of public-transit-advocacy group in San Francisco Bay area. | 1995–1998 |

Palo Alto Citizens League: Coordinated land-use and traffic-planning issues. 1995–1998
WSRN-FM (Philadelphia) and KFJC-FM (San Jose): Hosted public-affairs talk shows. 1984–1993

Refereed Journal Papers

- “Cigarette taxes and illicit trade in Europe,” *Economic Inquiry*, **56**(3):1706–1723, 2018 [with James E. Prieger].
- “Swift, certain, and fair: Review of state of knowledge,” *Perspectives, the Journal of the American Probation and Parole Association*, **41**(3):34–41, 2017 [with Angela Hawken].
- “Swift, certain, and fair: Perspectives from the field,” *Perspectives, the Journal of the American Probation and Parole Association*, **41**(3):42–59, 2017 [with Angela Hawken].
- “Swift, certain, and fair: In custody,” *Perspectives, the Journal of the American Probation and Parole Association*, **41**(3):60–65, 2017 [with Angela Hawken].
- “Unintended consequences of cigarette prohibition, regulation, and taxation,” *International Journal of Law, Crime and Justice*, **46**:69–85, 2016 [with Mark Kleiman and James E. Prieger].
- “Illicit trade as a countervailing effect: What the FDA would have to know to evaluate tobacco regulations,” *Journal of Drug Policy Analysis*, doi:10.1515/jdpa-2015-0016, 2016 [with Mark Kleiman and James E. Prieger].
- “Implementation issues in swift certain fair supervision,” *Perspectives, the Journal of the American Probation and Parole Association*, **40**(2):64–74, 2016 [with Angela Hawken].
- “Violence in illicit markets: Unintended consequences and the search for paradoxical effects of enforcement,” *B.E. Journal of Economic Analysis & Policy*, **15**(3):1263–1295, 2015 [with James E. Prieger].
- “Unintended consequences of enforcement in illicit markets,” *Economics Letters*, **125**(2):295–297, 2014 [with James E. Prieger].
- “Treaties (probably) not an impediment to ‘legal’ cannabis in Washington and Colorado,” *Addiction*, **109**(3):352–353, 2014 [with Angela Hawken].
- “Demand-side management and energy efficiency in the United States,” *Energy Journal*, **25**(1):16–43, 2004 [with David Loughran].
- “Preferential concentration of heavy particles in a turbulent channel flow,” *Physics of Fluids*, **6**(11):3742–3749, 1994 [with John Fessler and John Eaton].
- “Particle response and turbulence modification in fully developed channel flow,” *Journal of Fluid Mechanics*, **277**:109–134, 1994 [with John Fessler and John Eaton].

Books and Chapters
